

Alabama mean against meanc3 with $R^2=0$

Alaska mean against meanc3 with $R^2=0$

Arizona mean against meanc3 with $R^2=0$

Arkansas mean against meanc3 with $R^2=0$

California mean against meanc3 with $R^2=0$

Colorado mean against meanc3 with $R^2=0$

Connecticut mean against meanc3 with $R^2=0$

Delaware mean against meanc3 with $R^2=0$

District of Columbia mean against meanc3 with $R^2=0$

Florida mean against meanc3 with $R^2=0$

Georgia mean against meanc3 with $R^2=0$

Hawaii mean against meanc3 with $R^2=0$

Idaho mean against meanc3 with $R^2=0$

Illinois mean against meanc3 with $R^2=0$

Indiana mean against meanc3 with $R^2=0$

Iowa mean against meanc3 with $R^2=0$

Kansas mean against meanc3 with $R^2=0$

Kentucky mean against meanc3 with $R^2=0$

Louisiana mean against meanc3 with $R^2=0$

Maine mean against meanc3 with $R^2=0$

Maryland mean against meanc3 with $R^2=0$

Massachusetts mean against meanc3 with $R^2=0$

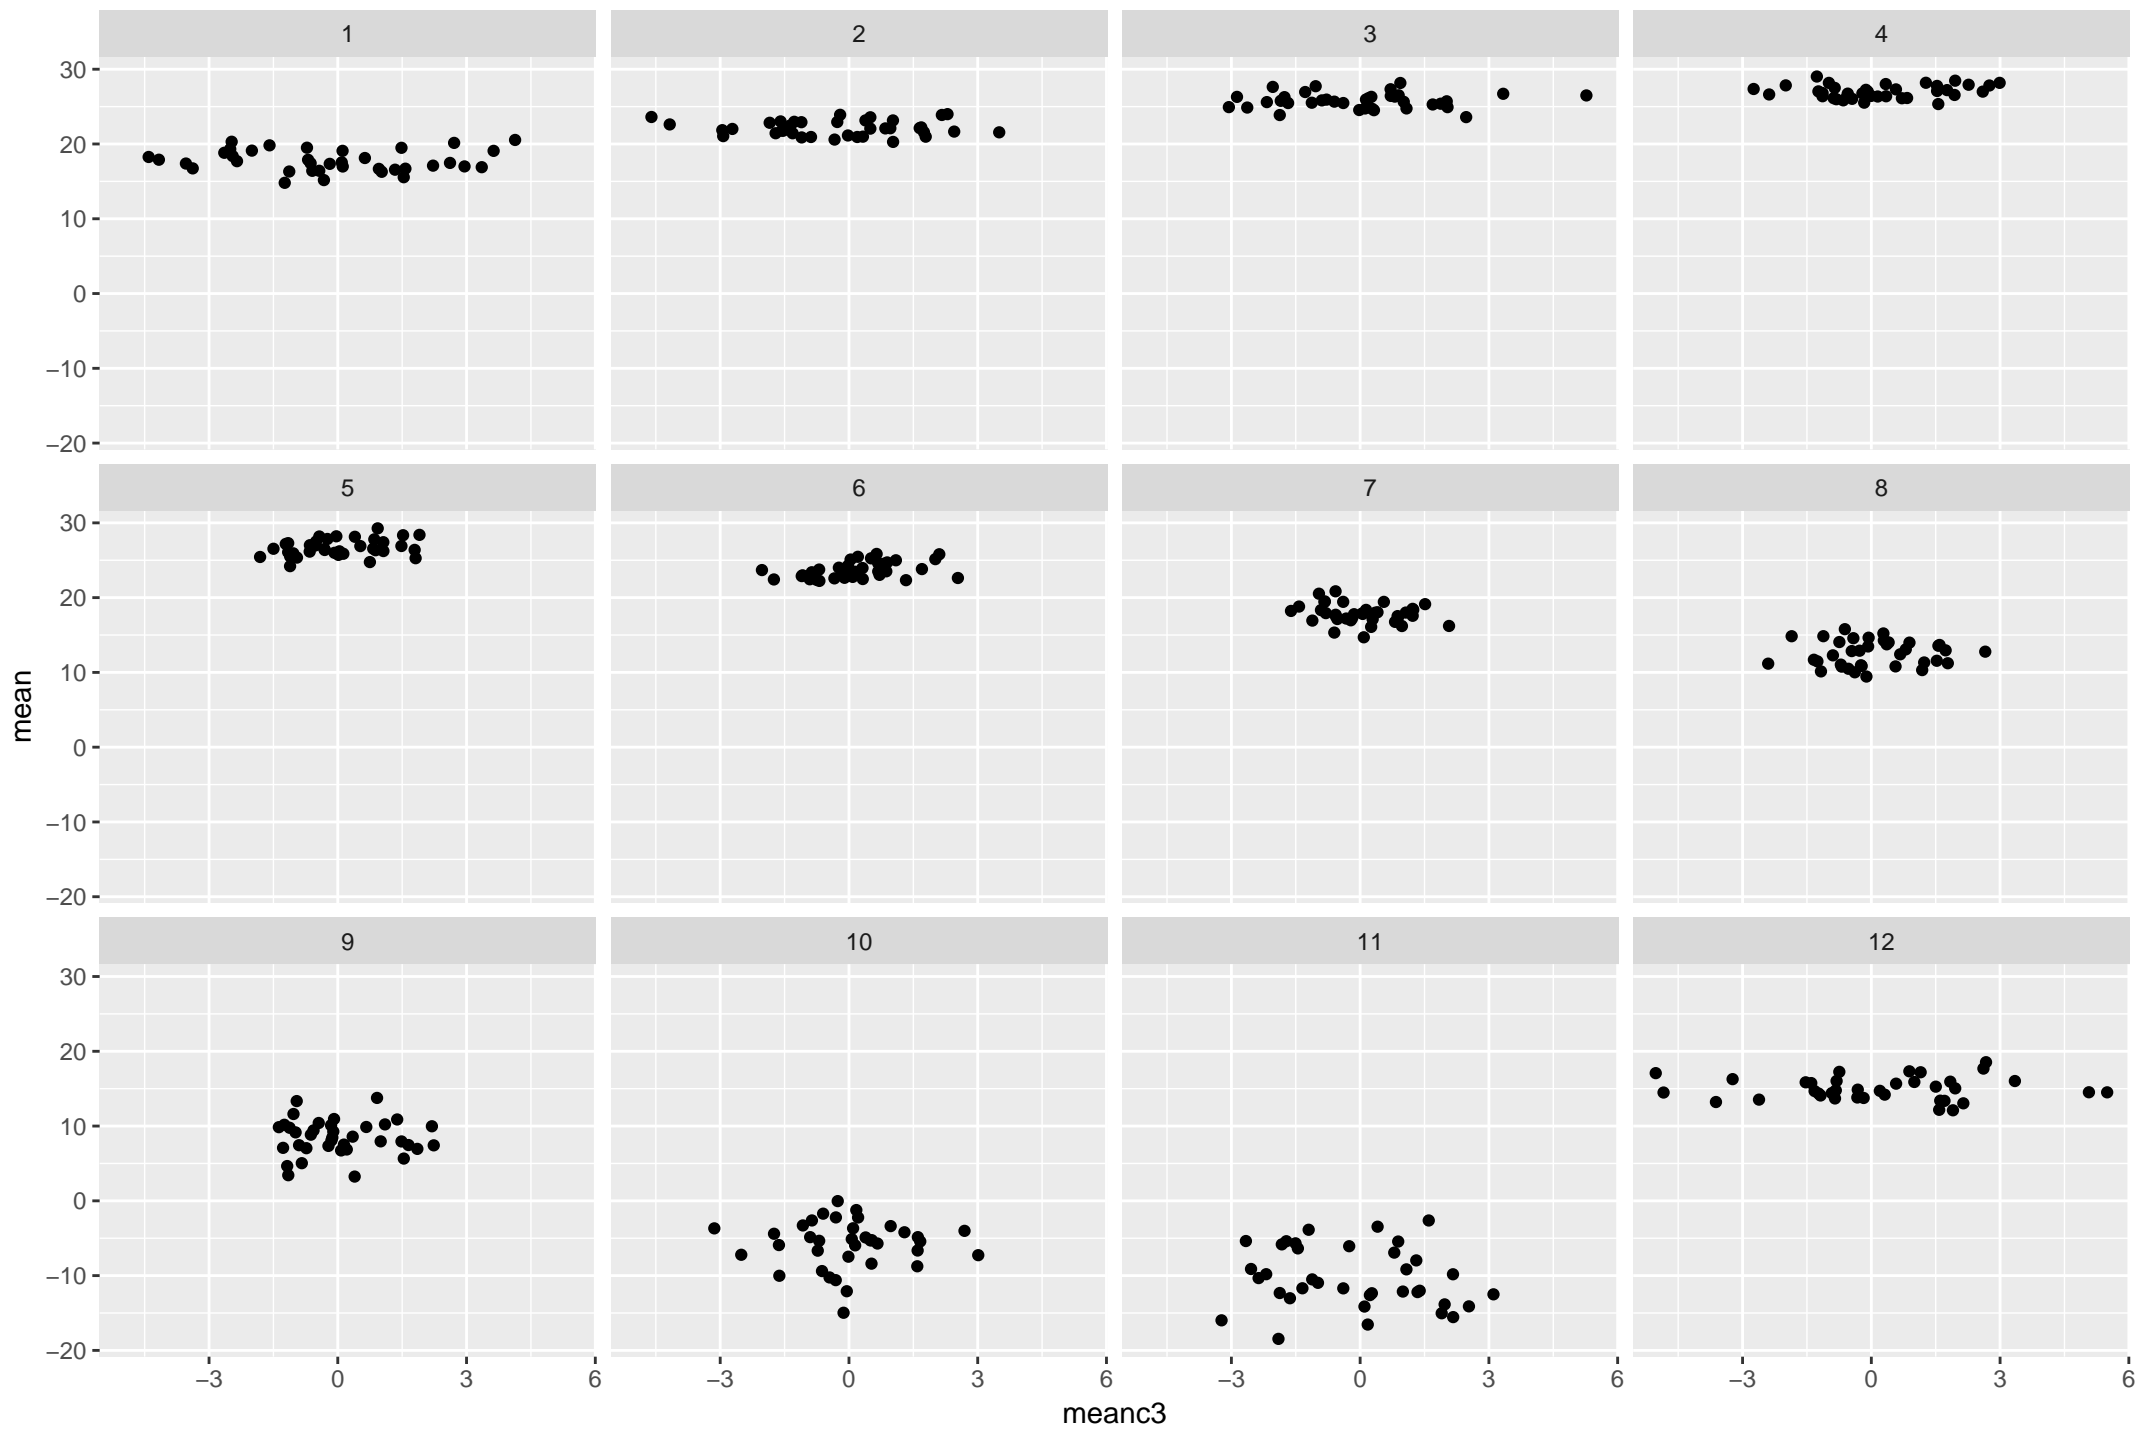

Michigan mean against meanc3 with $R^2=0$

Minnesota mean against meanc3 with $R^2=0$

Mississippi mean against meanc3 with $R^2=0$

Missouri mean against meanc3 with $R^2=0$

Montana mean against meanc3 with $R^2=0$

Nebraska mean against meanc3 with $R^2=0$

Nevada mean against meanc3 with $R^2=0$

New Hampshire mean against meanc3 with $R^2=0$

New Jersey mean against meanc3 with $R^2=0$

New Mexico mean against meanc3 with $R^2=0$

New York mean against meanc3 with $R^2=0$

North Carolina mean against meanc3 with $R^2=0$

North Dakota mean against meanc3 with $R^2=0$

Ohio mean against meanc3 with $R^2=0$

Oklahoma mean against meanc3 with $R^2=0$

Oregon mean against meanc3 with $R^2=0$

Pennsylvania mean against meanc3 with $R^2=0$

Rhode Island mean against meanc3 with $R^2=0$

South Carolina mean against meanc3 with $R^2=0$

South Dakota mean against meanc3 with $R^2=0$

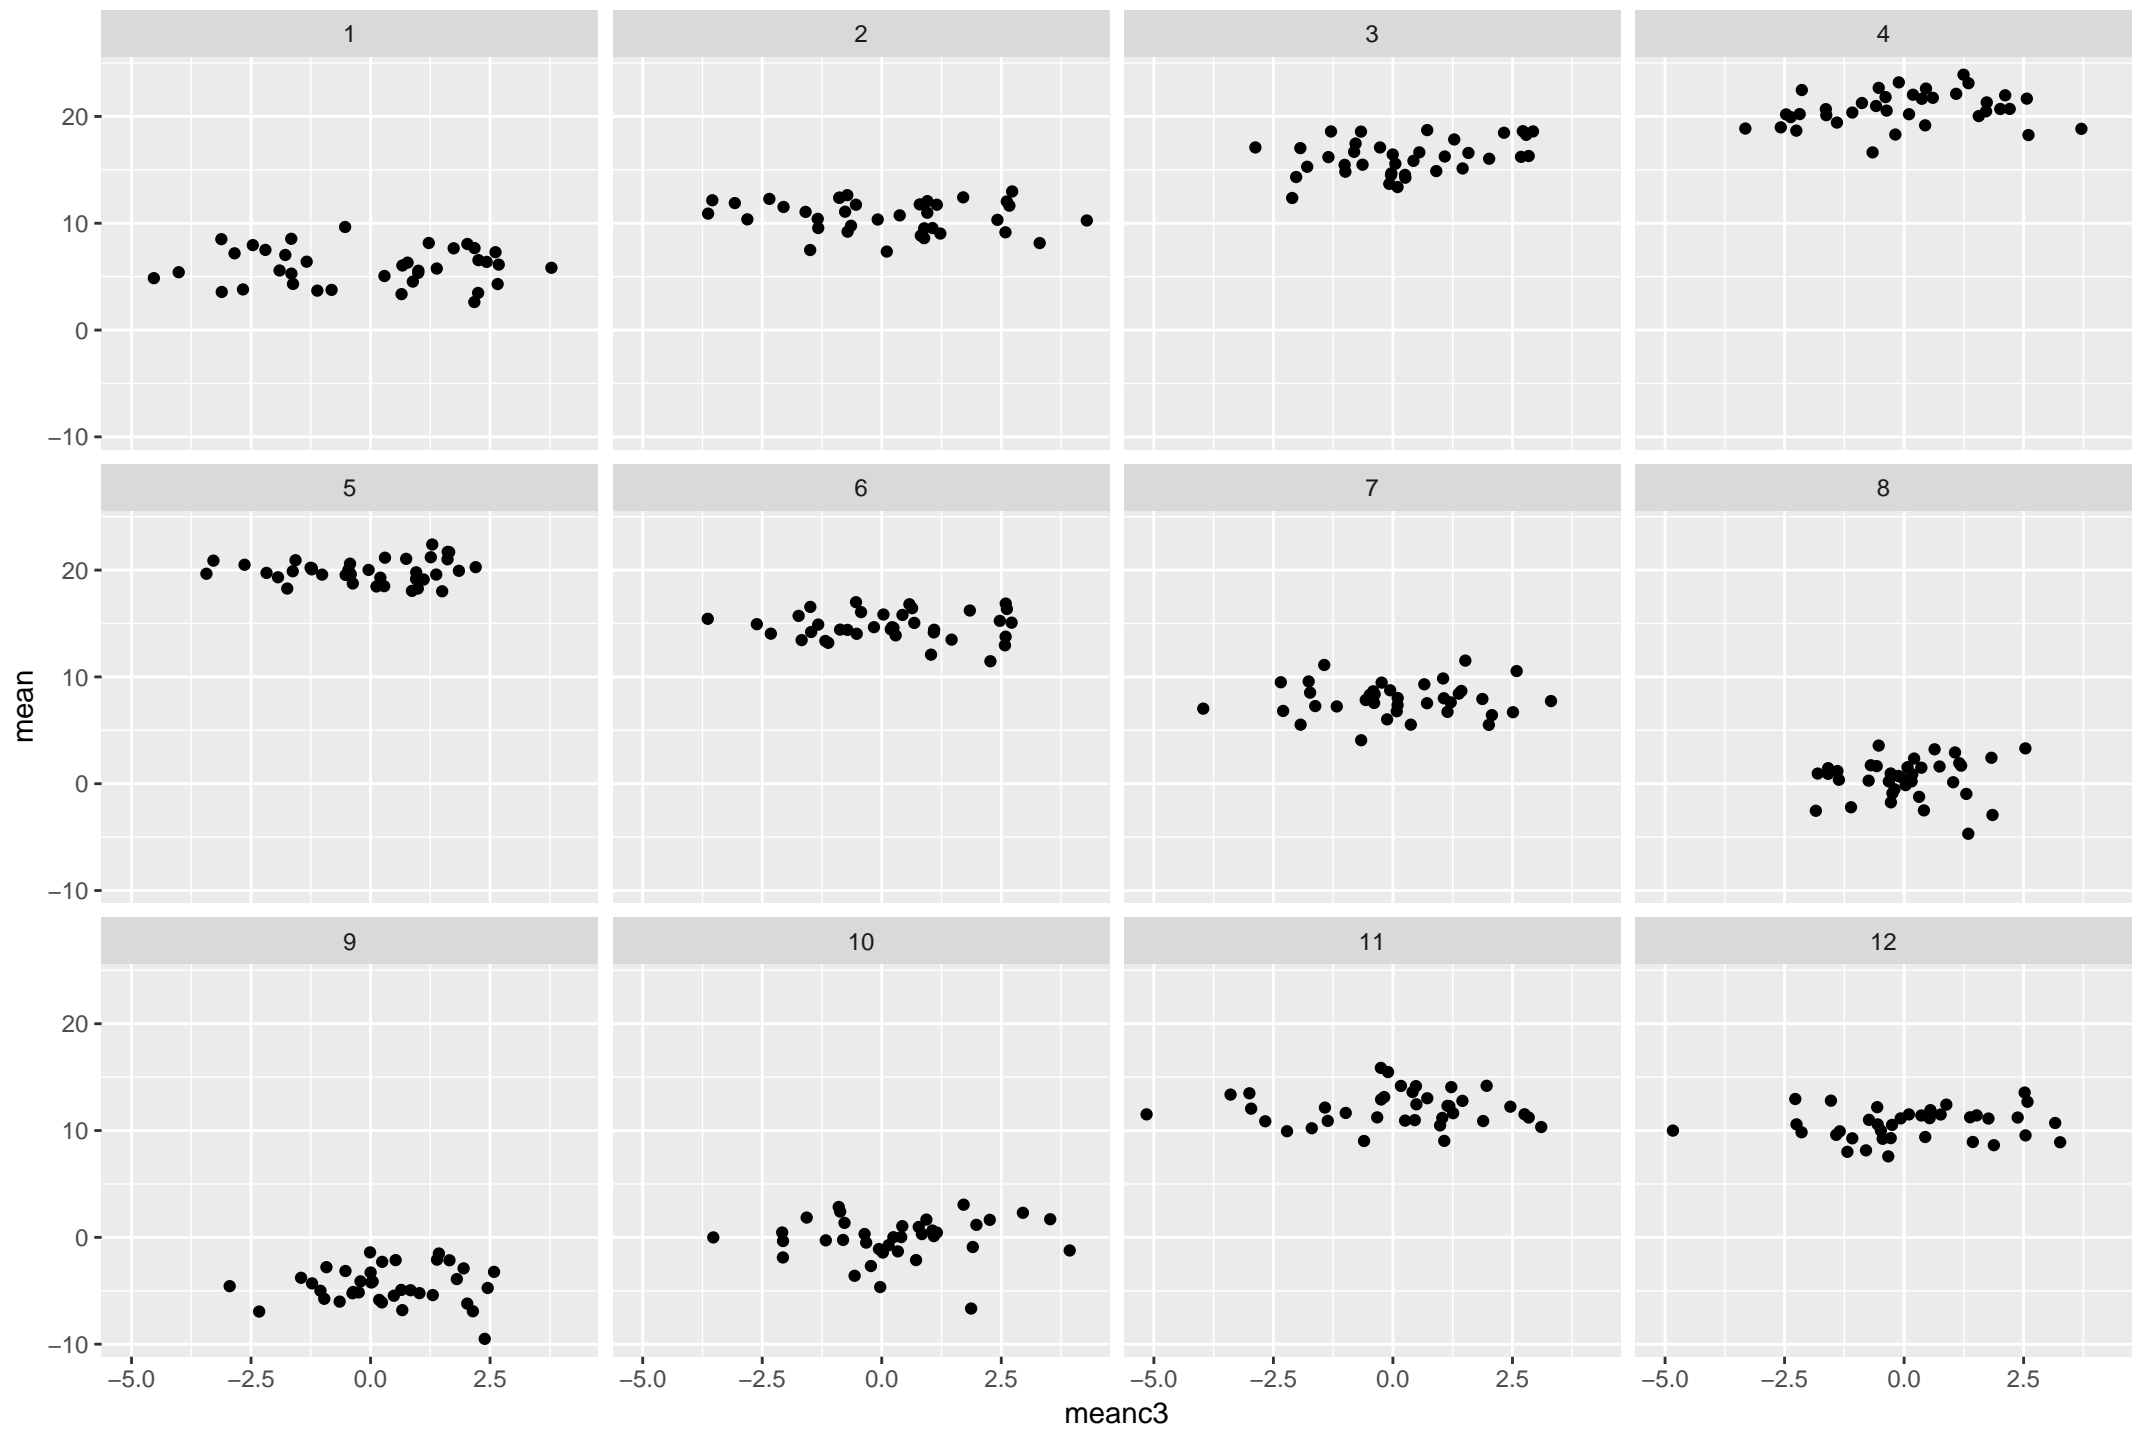

Tennessee mean against meanc3 with $R^2=0$

Texas mean against meanc3 with $R^2=0$

Utah mean against meanc3 with $R^2=0$

Vermont mean against meanc3 with $R^2=0$

Virginia mean against meanc3 with $R^2=0$

Washington mean against meanc3 with $R^2=0$

West Virginia mean against meanc3 with $R^2=0$

Wisconsin mean against meanc3 with $R^2=0$

Wyoming mean against meanc3 with $R^2=0$
